ARRIVAL AND HOSTEL CHECK-IN

**Monday – Tuesday
15th -16th July, 2024**

Students can choose to check-in on campus either on 15th or 16th of July based on their convenience. We recommend arriving between 9 am and 6 pm on both days. In case someone reaches campus after or before these recommended timings, they need to intimate the Office of Student Life (OSL) so that adequate arrangements can be made. OSL will be sending an RSVP Form closer to the arrival dates to get student's travel information.

These two days are just meant for students to check-in and settle down on campus. Students will be allocated their rooms so that they can set up their rooms. Campus tours will be conducted on these days by student volunteers. Parents are more than welcome to visit campus and help students settle but they will be expected to leave campus latest by 6:30 pm on both the check-in days.

ROOM ALLOCATION

Rooms are allocated on a twin-sharing basis. Roommate allocation for the incoming students will be done by the OSL on the basis of the Roommate Matching Form filled by the student. The form will be shared closer to the date of arrival on campus.

SHUTTLES

Shuttles will be provided for the Freshers from Krea University's TTK Office in Chennai to Krea campus, Sri City.

15th July, 2024

16th July, 2024

Please note: Shuttle timings are subject to change. Any changes will be communicated with the students closer to the arrival dates.
